

The City of Middleton Ad Hoc Sustainability Committee Presents:

SEPTEMBER

Monthly Sustainability Seminar

FRESH Documentary Screening

A film by Ana Sofia Joanes, Discussion led by Phillis Hasbrouk

Fitchburg Fields in conjunction with the Sequoya Public Library are hosting a showing of the documentary Fresh. In lieu of our normal seminar time and place, we would like to offer rides to view the documentary at the Sequoya Public Library. Fresh is a documentary directed by Ana Sofia Joanes that explores the environmental and ethical issues related to industrialized food systems. The film follows three characters (a basketball player-turned-urban farming guru, a sustainable farmer and a local food grocer) who offer nourishing, natural food solutions in an age threatened by swine flu, salmonella and e. coli scares.

Rides will leave from the Middleton Public Library at 6:30pm on Thursday, September 3. If you would like a ride to the showing, you must RSVP to Abby Attoun at aattoun@ci.middleton.wi.us or 827-1043 so that we can be sure we have enough space for everyone.

Thursday, September 3, 7:00pm

Sequoya Public Library, 4340 Tokay Blvd. Madison
Free, all are welcome. We value your input and participation.

*Monthly Sustainability Seminars are held on the first Thursday of each month at 6:30pm at the Archer Room. This is the twelfth seminar in the series.
